

# PCHET 2019

30<sup>th</sup> September

Networking Evening at Hotel Nadmorski, ul. Ejsmonda 2, Gdynia, Poland

1<sup>st</sup> October

Pomeranian Science and Technology Park, Aleja Zwycięstwa 96/98, Gdynia, Poland

Topic 1	Regulatory framework and hydrogen future in EU policy
Topic 2	Hydrogen technologies
Topic 3	Hydrogen in energy sector
Topic 4	Hydrogen in transport sector

## AGENDA

8:00 – 8:50	Registration				
9:00 – 10:15	Welcoming by Deputy Mayor of Gdynia City (Katarzyna Gruszecka-Spychała - TBC)		Introduction by Grupa LOTOS S.A. (speaker TBC)		Information about TOYOTA Hydrogen cars for conference guests.
10:15 – 11:15	Regulatory Framework and Hydrogen Future in EU Policy				
	The Fuel Cells and Hydrogen Joint Undertaking – The European Hydrogen roadmap and policies.  Bart Biebuyck - FCH JU	Legislation challenges for Hydrogen Technologies in Poland  Michał Sznycer - MGS Law	Polish Hydrogen Economy  Szymon Byliński – Polish Ministry of Energy	Global hydrogen market – actors, markets & trends  Dr. Grzegorz Tchorek - Faculty of Economic Sciences, University of Warsaw	
11:15 – 11:45	Coffee break				
11:45 – 13:15	Hydrogen technologies - Experience of H2 industry in other countries				
	Centro National de hidrogeno Spain  Carlos Funez	Czech Hydrogen Technology Platform and hydrogen development in the Czech Republic  Martin Fiser	Cologne Cluster's approach to Hydrogen  Albrecht Möllmann	EU Funding for hydrogen projects  Grzegorz Pawelec Hydrogen Europe	
13:15–14:00	Lunch				
14:00 – 15:20	Hydrogen in energy sector Solutions for e-mobility & safety				
	Pomeranian Hydrogen Valley  Presentation and signing of a letter of intent	Hydrogen Storage Solution offered by Worthington  Radisa Nunic	Use of hydrogen solutions in Linde trucks by Linde Material Handling Polska Sp. z o.o.  Marcus Weinberger	Hydrogen Roadmap at PGNiG  Cezary Starczewski	Hydrogen as an energy carrier  Marta Bloch - PGE Energia Odnawialna
15:20 – 15:40	Coffee break				
15:40 –17:30	Hydrogen in transport sector - Ground-breaking usage of H2				
	China's ambitious hydrogen fuel cell plans – a blueprint for Poland  Khangzhen Leow	Hydrogen Fuelled Future  Robert Mularczyk TOYOTA	Storage solutions for hydrogen: stationary/mobile. WyRefueler: mobile hydrogen gas station  Wolfgang Wolter	Safety issues related to hydrogen industrial installations  Konrad Ciebien
